REFER TO FILE NO. PSLRK 601.53 (Fort
Huachuca, Ariz.-Reactivation)

28 February 1951

Honorable Howard Pyle
Governor of State of Arizona
Phoenix, Arizona

Dear Governor Pyle:

This office has not received any further instructions relating to the matter of title revestment by the Government on Fort Huachuca, referred to in paragraph 6 of Lt. Col. Barnett's memorandum of 2 February 1951 to Headquarters United States Air Force, Subject: Recommended Real Estate Action, Fort Huachuca, Arizona, copy of which was furnished you.

A question has arisen regarding the date to be used for apportionment of rental funds collected or to be collected from former State tenants. We have referred this question to our higher authority for an opinion, and we are holding in "special deposits" any funds which may have been paid as rent by the State's lessees to our representatives at Fort Huachuca. Disposition of said funds will be held in abeyance pending receipt of advice from higher authority. It is suggested that the State or National Guard do the same on any rental moneys which have been or may be paid to the State after 18 January 1951, until we can confer with your office or that of the Adjutant General, which will be done as soon as said advice is received.

Thank you for your cooperation in this matter.

Sincerely yours,

cc: Adjutant General
State of Arizona

W. R. SHULER
